

To encourage outside reading this year, each quarter you may complete one book of your choice that meets with teacher approval and earn 5 bonus points for that quarter only. The books need not be Accelerated Reader selections, although they are highly recommended. In order for credit to be given, you must adhere to the time targets listed below.

1. To earn the bonus, you must EITHER pass the AR test with a score of 80% or better in the library or computer lab OR complete the reading information form and paragraph (shown below) as you did for each summer reading book.
2. Approval of your selection by your reading teacher must be made no later than two weeks before the close of grades for the marking period.
3. The test results or written report must be submitted to the reading teacher no later than one week before the close of the marking period, or earlier once it has been completed.
4. The written report information listed below should be typed or written neatly in blue or black ink.
