

## Junior High Accelerated Reader Guidelines

This year the Jr. High will be required to pass (1) AR test per quarter at 80% correct. The book they choose to read for AR must be submitted and approved by their teacher before they begin reading.

Book titles must be submitted by **September 15th** for the 1<sup>st</sup> qtr. All AR tests for the 1<sup>st</sup> qtr. must be taken and passed by **October 24th**.

If the student changes the title of the book he/she has submitted, they must have whatever alternative book title they select approved by their teacher before reading it as well. Books should be approximately 150 pages or more in length.

Whenever a student takes an AR book test, the AR test results will be sent home to parents. If parents wish to be contacted with regard to the book title their student has submitted, please contact their teacher and it will be sent to you via email or phone call. Jr. High students may not count class books as one of the four required books to read.

Students will not be included in the certification levels of AR (unless requested by a parent,) but their book points will count towards total points achieved for the end of the year award.

Please encourage your student to begin reading early. Students must pass (1) AR test to be eligible for Honor and Merit Roll for that qtr.

If there are any questions concerning AR at any time, please contact the teacher immediately.
