

NEWS FROM THE SCHOOL OFFICE

FEBRUARY 24, 2010

Dear Parents,

The end of February is almost here and March promises to be a very busy month also. Today the interim grades can be found online for Grades 3-8. The Ladies Luncheon invitations are enclosed. As always, this event is expected to sell out quickly. Thank you for your support of the school supply drive this week. The teachers will let their students know if they can dress down on Friday.

Re-registration: We still are in need of some re-registration packets. Fees are not due until May. It is very important that we have an idea of the number of students who will be attending All Saints next year.

CYO NEWS: The St. John Vianney tournament is still in progress. Overall, the basketball season has gone very well. Thank you to all the coaches, the Fitzgeralds and the YAC committee for working with the kids this season.

Enclosures: Please find in your envelopes the March calendar, conference slips, information about the 2010-11 school calendar and the invitations to the Ladies Luncheon.

Science Olympiad – John Carroll University hosts the Science Olympiad this Saturday. Some of our fifth and sixth grade students have been preparing for this event for several months after school. Thank you to Mr. Hudson and Mrs. Scafidi who has worked so diligently with them. We wish them lots of luck in the competition. The children competing are Alexis Allen, Kevin Bacchi, Emily Barni, Ashley Bayer, Amy Bowens, Nathan Bryant, Christina Capretta, Maddie Cataldo, Kaitie Centa, Beth Clack, Nick D'Angelo, Matt Dolinar, Monica Eckford, Jessica Edwards, Brianna Gavin, Madelyn Geisinger, Dennis Grosel, Meghan Guban, Alexa Hansen, Christina Hansen, Kaley Hudson, Justin Kotoch, Kayla Langford, Caitlyn Legath, Meghan Lytle, Jackie Marjak, Jacob Mengelkamp, Michael Mott, Kevin Myers, Melissa Nahra, Matthew Niedoba, Tori O'Connell, Anna Powaski, Abby Pfriem, Caroline Repko, Brian Robinson, Jessica Rupp, Sammy Salatino, Megan Slattery, Alex Welch and Brett Yanasak.

Lastly, the IOWA Tests of Basic Skills will be administered to grades 1-8 starting Monday. In addition, the students in Grades 3, 5 and 7 take the Cognitive Abilities test. With these tests, the Diocese and our school can better assess the progress of our students. Next week is also the annual Penny and Silver War on March 2nd and 3rd. Part of the funds will go to Catholic Relief Service to continue our sponsorship of a child in South America. The remainder will be given to the American Cancer Society as part of All Saints' Relay for Life team's fundraising efforts.
