

# WEEKLY NEWS SEPTEMBER 1, 2010

Dear Parents,

**The school year is off to a good start.** The kids are settling in well to their new schedules and routines. The weather has been very hot though so it has been a little more difficult getting comfortable. **The kids may dress down in "appropriate" summer clothes on Thursday and Friday to try and beat the heat.**

**SCHOOL PICTURE DAY - Picture Day** is Wednesday, September 15th. The order envelopes are in today's packet. The children are to "dress up". They may bring their envelopes in early and their teachers can hold them for the students. **Every child must have an envelope** ready to give the photographer.

\*Families with multiple children **may pay** with **ONE** check. Please mark on the envelope which child's envelope has the check enclosed.

**CERTIFICATE ORDER ENVELOPES** are enclosed. While we can no longer mandate your participation, we hope you will continue to support the program.

**FUNDRAISING** - An important topic at next week's Parent Night will be fundraising. In years past we had been able to limit the number of fundraisers because of the certificate program. We hope to get back on track so that fundraising does not become overwhelming. The Walk-a-Thon this year is needed to meet our budget and to hopefully complete the school's technology needs.

**SAVE THE DATE:** The Parent Advisory is planning a special Reverse Raffle for Friday, October 22<sup>nd</sup>. More details will be coming soon.

**BAND NEWS** - Our new band director is Dr. Harvey Sisler and he will be at All Saints on Tuesdays. There will be a parent meeting tomorrow night **(Thursday, Sept. 2) at 7:00 p.m. in the cafeteria** not in the Band Room as the children were originally told.

**CYO NEWS** - Students who are participating in Fall sports may wear their team shirts on Friday, September 10th with jeans. We hope they have a good season. The Youth Athletic Committee also asked me to remind you about the Spaghetti dinner scheduled for September 24<sup>th</sup>. Reservations forms were in the Open House packets.

**WANT TO HELP?** - The volunteer sign-up sheets are enclosed. Volunteering is a great way to know the school better and to meet other families.

**Please keep eighth grader Jimmy Kelly in your prayers. He broke both legs in a water accident and needed surgery. He has a long recovery ahead.**
