September is Pediatric Cancer Awareness Month! Student Council is having a "Pay to Dress Down" day (\$1.00) on Tuesday, September 27th in memory of Richard Stefanacci, a fourteen year old eighth grader who died of cancer. His grandmother is a supporter of our school. The money will go to "Go 4 the Goal" a national organization that supports cancer research started by Richard's family. The classes have been assigned a color that represents a type of cancer. If your child does not have that color they can wear white - do not go out to buy something in the class color. Thank you also for all the prayers and support you have shown Sara Hudson, Mrs. Neu and me. God bless you!
