Dear Friends,

Welcome to All Saints School of St. John Vianney. All Saints truly is a special place thanks to the many wonderful people who are involved. Children who are excited to learn, professional caring teachers, families that are involved and a supportive parish comprise this great community. All Saints is successful because of the commitment of all those associated with the school to provide a quality Catholic education. God has blessed our school community and we would love to share it with you.

Sincerely,
Mrs. Terri Armelli

Mission Statement

All Saints of St. John Vianney is a Catholic community established to provide a strong educational and religious foundation. The school, family and parish work together to promote spiritual growth, lifelong learning, responsibility and respect for all.

“Little Saints” Preschool & PreKindergarten - The developmentally appropriate Preschool and PreKindergarten programs are licensed by the Ohio Department of Education and are in alignment with the Ohio Early Learning Content Standards in Language Arts, Math, Science and Social Studies. The programs are designed to develop both Kindergarten readiness and social-emotional skills. PreK classes offer opportunities for the 5-year old child who may benefit from an additional year of growth and development prior to kindergarten.

Three Year Olds meet Tuesday and Thursday mornings
Four Year Olds meet Monday, Wednesday, and Friday (either all day or 1/2 day morning option)
PreKindergarten meets Monday through Friday (either all day or 1/2 day morning option)

Kindergarten - Our five day, all-day Kindergarten program establishes a strong foundation for future learning. The curriculum is based on the State of Ohio and Diocesan standards of academic and social education to meet the needs of your developing child. The core subject areas of Language Arts, Math, Science and Social Studies are offered, as well as, Religion, Art, Physical Education, Music and Computer.
