PEER PRESSURE

There are techniques for dealing with peer pressure that can help you
be confident and feel good about yourself. Plan your strategies here.

1. What are some ways you can say no?
2. How can you use movement, gestures, or facial expressions
to convey no?
3. How can you distract the person suggesting to do something
wrong?
4. How can you express no in a way that makes the person
still like you or even like you more?
